Please submit to the assigned Divisional rep. for the division you compete in. Appeals should only be for YOU, not something that happened to one of your competitors.

Keep in mind that calls made by the flagman, technical officials or scorers are typically considered final. Suspensions and fines from officers CANNOT be appealed.

Regardless of the final decision, a record will be kept of your disagreement and your appeal. You can submit the appeal to the FRRC Board of Directors with a \$100 fee.

If the BOD overturns the FRRC Official's decision, you will receive your \$100 back. If you lose the appeal with the BOD, the \$100 will go into the general FRRC funds.
