

2024 FRRC COMPETITOR APPEAL FORM (to be submitted to the BOD for review)

and Name _____ Date _____
Division _____

What are you appealing (be specific)? _____

What are you hoping for recommending happen? _____

If you disagree with a tech official, you can submit an appeal to the Board of Directors.

Please submit your appeal to the assigned Divisional rep. for the division you compete in by 7pm the Friday after your event. You also must submit the \$100 appeal fee to one of the 4 frc club officers by 7pm Friday after the event or your appeal will not be considered valid.

Appeals should only be for YOU, not something that happened to one of your competitors.

Regardless of the final decision, a record will be kept of your disagreement and your appeal.

If the BOD overturns the FRRC Tech Official's decision, you will receive your \$100 back. If you lose the appeal with the BOD, the \$100 will go into the general FRRC funds.

IMPORTANT: Calls made by the flagman or scorers on race night are considered final, as well as suspensions and fines from officers. Those decisions are not appealable.

Footnote: If a driver feels there may have been a scoring error/missed lap by amb, they can contact "frcpointspay@gmail.com" for clarification.
